### Sex Assault Suspect Nabbed

An 18-year old Frederic man was arrested Monday by Crawford County Sheriff's deputies and jailed in connection with an assault of an unidentified woman last Friday.

The suspect, whose name was held pending his arraignment, allegedly broke into the woman's Frederic home and assaulted her during which she received a throat laceration. Warrants charging him with first degree criminal sexual assault were being sought on Monday. Sheriff's deputies Arthur Clough and Charles Haas headed up the weekend-long search which ended in his arrest on Monday. Arraignment is expected later this week.

### Other Reports Forthcoming "Build New School" Consultant Tells Advisory Board

The bottom line in Dr. Raymond Kehoe's independent study of Middle School conditions, presented to the Advisory Committee Monday night came through crystal clear. Raze the present 1916 building following construction of a new school on another site. His report further recommended that the present building not be renovated except for temporary usage and used thereafter for no other purpose.

The U-M Educational Consultant from the school's Bureau of School Services was called in by the Advisory Committee to aid in answering the question with which the group was charged to recommend a future for the 64 year old facility to the school board by May 1st. Two additional independent studies will be reviewed this month, one made by Buitendorp & Associates and another by Dr. Donald Bush of Central Michigan University.

Citing conditions at the school Kehoe described as "almost intolerable," the consultant told the committee logic forced him to his final conclusions. Health,

safety, acoustics and comfort aspects of the site places the building in a position his report called "a disaster." The study detailed problems associated with windows, the heating system, ventilation, doors, ceilings and floors. Further, unacceptable and virtually irreparable skylights, wooden landing barriers, roof leaks and poor lighting were factors addressed in the study.

Kehoe recommended the committee pursue construction of a new school on already-owned property adjacent to the high school. Sixty-four years of hard usage with only minimal expenditures for remodeling have "completely worn out" the current building, Kehoe said. "It would be a sheer waste of public funds to make the necessary building modifications (required) to meet the special education mandates," his report concludes.

Citing the need for more than just three acres of land prompted Kehoe to recommend a larger site. His report further recommends a building suf-

### Petitions Available for Kirtland Trustees

Three six-year term seats on the Kirtland Community College Board of Trustees will be filled in an election scheduled for Monday, June 9th. The terms will expire June 30, 1986.

Nominating petitions may be picked up from Mrs. Pauline Courmyer in the President's Office on the Kirtland Community College Campus, Roscommon, Michigan; and must be returned to Mrs. Courmyer at the same address by 4:00 p.m. April 22, 1980.

Crawford County stands to receive \$1.2 million in Housing and Urban Development funds for fiscal years 1980 through 1982, U.S. Senator Donald Riegle announced from his Washington office late last week. The grants to Crawford and five other Northeastern Michigan counties, made under the Small Cities Program of the U.S. Department of Housing and Urban Development, will be used primarily for housing rehabilitation. Under the program, Arenac, Iosco, Alcona and Montmorency counties will receive \$400,000 and Cheboygan \$500,000. The Crawford County grant of \$1.2 million was the largest made under the

program, called Community Development Block Grants.

Jan Cornell, Crawford County Housing Commission Director, learned last Wednesday that pre-application approval had been given virtually assuring final passage of the application. The revenue has been appropriated in three equal increments of \$400,000 for each of the three years, Ms. Cornell said, the first expected sometime this summer for the 1980 fiscal year which began last October 1st.

According to Robert Peters, Executive Director of Northeast Michigan Community Service Agency, Inc., these grants represent 100% success in pre-applications submitted

with the assistance of NEMCSA. Further, Mr. Peters stated that no other area of the State has been as successful in obtaining these HUD funds.

The announcement of acceptance is basically a formality. According to Vince DeJong, Community Development Director of NEMCSA, 99% of the full-applications result in funding.

The original application requested \$1.8 million, a figure reduced, as expected, said Ms. Cornell, "because of Crawford County's population review." Nevertheless, the \$1.2 million appropriation represents the largest single grant ever approved by HUD for the County. The last grant received here

was in 1978 when \$300,000 was OK'd. Previous approvals were for \$180,000 in '76 and \$380,000 in 1977. No HUD monies were approved for fiscal year 1979.

Announcement of the preliminary approval thus allows the Housing Commission to move forward with plans for use of the money which will include housing rehabilitation and public facility improvement needs. Ms. Cornell said that since the original request had been cut, revised budget forecasts would be prepared and included with the final application request. She credited a number of area governmental units and agencies for assisting in planning and preparing the first sub-

mission for aid, including city, township and county officials, along with other housing and planning commission members.

Receipt of the \$1.2 million will boost the total monies received through HUD to over \$2 million since 1976 and represents what Ms. Cornell termed "a tribute to our community for combining efforts to make the application process successful."

For the most part, the HUD grant will be used for housing rehabilitation, Grayling city and township street improvements and road work in Frederic. Work has already been scheduled for improvements to Madsen and Lawndale streets on Grayling's

southside and HUD money will be earmarked to complement the city's on-going overall street improvement program. Ms. Cornell indicated some will also be directed toward Grayling Township street improvement on roadways bordering the city and extending toward the expressway in the M-72 east area.

Approval of the grant will also pave the way for the Housing Commission to further explore coordinating HUD programs with agencies such as the Farmers Home Administration and Michigan State Housing Development Authority, along with other HUD funding available under See \$1.2 Million on Page 2

## A Great Step Forward

The Crawford-AuSable School District has taken a great step forward in Health Security for our Community by expanding the required Health course for graduation from Grayling High School to include Cardiopulmonary Resuscitation and Standard First Aid and Personal Safety Training.

In the latter part of March four High School Teachers—Marilee Cheney, Warren Hayes, Mike Wieland and Fred Wolcott—were trained as American Red Cross CPR Instructors in a special 16 hour intensive program conducted by Jerry Huey, Michigan Division/American Red Cross

Safety Instructor Trainer from Detroit, at Mercy Hospital, Saturday and Sunday, March 22nd and 23rd; assisted by Liwyn (Tony) Doremire, CPR Instructor and Chairman of Safety Training for Crawford County Chapter/American Red Cross.

At the conclusion of that cour-

se, there were a total of 12 new CPR Instructors qualified in this area of Northern Michigan, as well as Tony being qualified as a CPR Instructor-Trainer so that he can continue training and qualifying CPR Instructors here and in surrounding counties as well.

On April 26th, Mr. Doremire will go to Saginaw and attend an Advanced First Aid Instructor-Trainer session to be held that Saturday and Sunday at the American Red Cross/Saginaw County Chapter headquarters. At its conclusion Tony will be qualified as a First Aid Instructor-Trainer, authorized and qualified to train other Red Cross Volunteers as First Aid Instructors.

Immediately following that qualification, he will train the Teachers who qualified March 22nd and 23rd as CPR Instructors, as these individuals have already been trained in American Red Cross Standard or Advanced First Aid in previous training programs held in the High School or at See Forward on Page 11

### New Industry, and New Jobs, for Grayling

Saginaw's MAC Distributing has experienced tremendous growth while expanding to serve the Mid-Michigan region (from the Thumb area to Mount Pleasant). The firm, established in 1950, is celebrating its 30th year supplying the building and construction trades with quality windows, hardware and doors by opening a new branch plant in Grayling on April 1st.

Under the guidance of President Larry R. Hagon and Manager Richard Oliver, contractors in the northern third of Michigan, from Gladwin to the Mighty Mac Bridge, will benefit from faster and more efficient service.

On April 12th the Grayling city manager, Jerry Morford, will be joined by other city illuminaries at a ribbon-cutting ceremony. An Open House for 23 of the North Country's most prominent suppliers will follow the 2:00 p.m. event. Local tradesmen will be entertained in the near future.

The Open House for MAC Distributing of Grayling, 2306 South Millikin Road, is just the beginning of more jobs for the area, an improved business climate and a promise of continued economic growth for Grayling.

### Beaver and Otter Auction

The spring beaver and otter (all other legal furs accepted) auction will be held April 12th at Grayling Hanson Hills beginning at 9:00 A.M.

For lot numbers or further information contact me: Don Zang, Box 344A, 12480 Miller Rd., Rapid City, Mi. 49767; Ph. 616-322-2042. Lot numbers will be issued on a first come first serve basis.

"NEW LOOK"—Christopher Wolcott, 3½ (left) and Steve Branch, 5, were the first two Graylingites to make use of one of the city's new downtown trash receptacles, fifteen in all placed in the downtown area and two at the city part last week. Installed on lamp posts, the new receptacles replace the old style and City Manager Jerry Morford said a routine schedule is being arranged for emptying the new containers. Chris is the son of Mr. and Mrs. Fred Wolcott and Steve is the son of Mr. & Mrs. Mike Branch, all of Grayling. (Joe Schrader photo)

## Some Progress in County-Union Talks

By Joe Schrader

At a news conference held last Thursday afternoon, Dennis Nauss, Staff Representative for AFSCME, reported some progress in contract talks with the county, although no final agreement was reached on a new pact for nine county house employees who have been working without a contract since mid-January.

Nauss said language on the vacation provision had been reached, leaving only the contract's arbitration article and economics as major unresolved issues. He indicated the union had made a counter-proposal to the county's original economic offer made at the March 12th session and the county responded with a second offer. When contacted, David Sabin, county

negotiator, confirmed that some movement had been made by both sides on the issue but the exact nature of the proposal was not disclosed.

Nauss and Sabin both agreed that contract language outlining the final resolution of grievances continued to be a problem in reaching final agreement on a contract.

AFSCME indicated to the media Thursday that the union was willing to discuss the issues publicly on a radio-talk show, but the proposal received only a nonchalant reaction from county officials.

A hearing on unfair labor practice charges lodged against the county was held Tuesday before a Michigan Employee Relations Commission Administrative Law Judge. The charges were leveled after the county raised the rate of a bargaining unit job prior to contract talks. The union has alleged this violates the provisions of the Employee Relations Act and pursued their complaint to a hearing.

### Named to Vets Trust Fund Bd. of Trustees

The Board of Trustees of the Michigan Veterans Trust Fund hereby announces the reappointment of: Larkin C. Baker, Frederic, to continue serving on the Crawford County Veterans Trust Fund Committee as the American Legion representative, for a term ending December 31, 1982.

Last year, the Crawford County committee assisted 63 veterans, widows and dependents of veterans, for a total of \$6,548.96.

Throughout the State of Michigan, county committees assisted 32,817 veterans, widows and dependents, with a total expenditure of \$2,467,069.87.

### Warning

"Range firing will be conducted by units of Michigan Air National Guard.

The Air to Ground Range which is located east of Guthrie Lake and north of County Road 612, will be in use during the period 1-5, 8-13, 15-20 April 1980.

High performance fighter aircraft will be firing on this range located at Camp Grayling during this period.

The range will be closed during the above dates and all persons are warned to stay out of the range area."

**HOME DESTROYED**—Grayling firemen are shown battling a blaze last Wednesday afternoon that gutted the James Prosser residence on M-72 east, 4½ miles from town. Nobody was home when the blaze broke out about 1:00 p.m. The fire was spotted by a passing motorist who called in the alarm by CB radio. Firemen were at the scene about 2½ hours; there were no injuries except to a family pet which perished in the fire. Cause of the blaze is still under investigation by fire officials. ### Jaycees Jelly Week Nears Completion

The Grayling Jaycees, in the midst of their second successful Jelly Week, are nearing completion of their goal of selling 1,200 jars of jelly. As seen in the picture above, Michigan Jaycee District Director Mike Shearer and Jelly Week project chairman Chuck Huber are helping achieve this goal by selling jars of jelly to Grayling City Mayor Sandy Thompson and Foodland owner Tom Kelley.

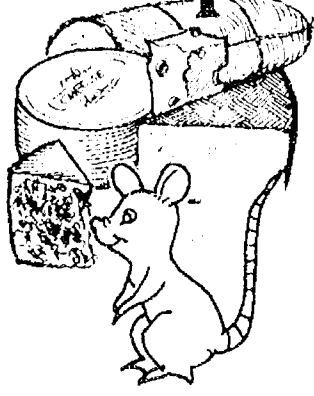

As Jelly Week is coming to a close, local organizations are pitching in and joining the Jaycee effort to help comfort the victims of fires. One such organization is the Senior Citizens Center which has invited the Jaycees to this Thursday night's meeting to explain the problems of burn victims and show a film discussing the achievements of the National Burn Center located at the Campus of The University of Michigan, Ann Arbor. The film is narrated by George C. Scott.

Any interested organizations wishing to see the film, and to discuss the problems of burns facilities, should contact Chuck Huber or Mike Shearer. In addition, Jaycee Jelly outlets have been set up at Foodland, the Carousel, Glen's Market, Nickelodeon, Grayling Mercantile, Weavers Gift Shop, Olsons, and Grayling Pharmacy.

ficiently large enough to house grades five through eight. The Crawford-AuSable Schools grade system structure should be reorganized, he recommended, so as to include grade 5 from the elementary level to help resolve elementary school space problems as well as to lower average construction costs per pupil for a new middle school. A side recommendation in the study suggested the gymnasium facility built adjacent to the Middle School in 1955 be considered for use as a community recreation center, and other sources sought to assist with the building's operating expenses.

Kehoe emphasized that failure by the school board to act now can only further delay a decision which is impairing the educational opportunity area students require and deserve. "That's the other side of the coin," he remarked. School administrators say that typically, three years are required to take the necessary steps to successfully complete a building program of the scope required here.

The consultant lauded the school administration for providing a balanced educational curriculum at the present school for the 450 students now enrolled there, despite the conditions outlined in his report.

Advisory Board Chairman Jack Stockhaus called the next meeting of the group for April 16th when the Buitendorp report will be presented. In the meantime, committee members will be visiting other state schools where renovation efforts have been completed, including Harbor Springs, East Jordan and Lansing.

Stockhaus thanked citizens for the interest shown by their presence Monday night. He encouraged all interested citizens to attend upcoming meetings so that all input possible can be considered prior to the committee making its crucial recommendation to the board in May.

section 312 of the Act, options which have been restricted before now, Ms. Cornell added. These related agencies are able to appropriate funds for housing rehabilitation loans to low and moderate income families at interest rates ranging from 1% to 3%.

Although actual receipt of HUD funds is not anticipated until this summer, Ms. Cornell said the county has 18 months to spend them for each fiscal year, thus generating breathing room for the first year, start of which dates back to October 1st.

Last November, the City of Grayling gained approval for an Urban Development Action grant in excess of \$70,000, money used to assist in the relocation and expansion of RDI, Inc. into the West M-72 Industrial Plaza.

Preliminary planning for application for the current HUD grant began last fall and was filed with its Detroit office prior to the department's January 7th deadline. Although President Carter has recently proposed a number of federal budget cuts, Ms. Cornell stated this would have no effect on Crawford County's final application for funds.

### GHS Runners 7th at Ferris State

By Joe Schrader

"The Girls did a nice job Saturday—they're a small team but capable of scoring points," That's how GHS girls' track coach Merilee Cheney summed up her team's performance following a 7th place Class C finish at the Ferris State College Girl's Invitational Track Meet held last weekend.

Thirty teams were entered in the event, won by North Muskegon High with 52 points. The Vikes garnered 19 to capture the seventh slot at the meet in which "only a few points separated the fifth and seventh place finishers", Coach Cheney said.

Freshman Beth Jones was the lone Vike first place winner, leading all the way to capture top spot in the two mile event with a 10:24.12 time. A distance runner, Beth also finished third in the quarter mile (880) with a 2:37.71 time. "That was a tough race," said Coach Cheney afterward, "the winner set a new record for the meet." Beth did not compete in the mile run.

Lisa Radebaugh took a fifth in the 60-yard hurdles in 9:32 seconds and "ran a strong race" according to her coach. The Viking mile relay team of Jill Headlee, Diane Lee, Joyce & Jean Stevens ran the mile in 4:40.87 to cop sixth place and a point in the meet and the 880 relay squad just missed placing "in the money" with a 7th place finish. Jean Stevens also placed

7th in the quarter mile run.

"This was our first competition of the year", commented Coach Cheney, "we've been working out since March 10th—the girls have worked hard and we'll be improved over last year." The team will compete

in the Spartan Relays at MSU in East Lansing on Friday, April 11th with league competition commencing here at home against St. Ignace April 22nd.

Grayling, Michigan—Thursday, April 3, 1980

From Our Corner ...

Even getting a head start on our corner this week isn't helping abit...this is starting out like we figured over the weekend, we just can't seem to come up with anything real staggering to pass on to our readers...we must have caught a little bit of the spring fever over the weekend, and it's carrying on into Monday...

Last week Grayling received more good news to go along with the announcement by Weyerhaeuser to locate their 250,000 sq. ft. plant here. The new facility will be constructed on 511 acre site on Four Mile Road, one mile east of I-75 in Beaver Creek Township. The plant will employ some 150 people in the construction of Structurwood<sup>2</sup> used for flooring, roofing and walls in the building industry. In addition, approximately 100 related jobs in the area will be supported by the operation.

An article appearing on page one by Joe Schrader tells the story of the Housing and Urban Development grant of \$1.2 million to Crawford County which will mostly be used for housing rehabilitation. Other than the housing, monies will be used for street improvement in the City of Grayling, Grayling Township and in Frederic. The grant calls for \$400,000 spread over a three year period, beginning in 1980 and 81-82.

Along with the above, the City has announced street improvements for the summer which includes work on Madison Street, Lawndale and I-75 Business Loop through the city.

These projects surely should give a boost to our economy this summer...we need it, following the sick winter we just experienced...possibly this could be a turning of the times since Bear Archery decided to move south...Grayling has weathered the past two years, without becoming a ghost town...possibly this is the silver lining for brighter days ahead...

Spring must be here...the past few days most of our mail has been changes of address...our summer friends are getting ready to head home to God's country...it will be interesting to hear about how their winter was as compared to ours up here in the frigid North...

Thanks John, for the orange pop...next time we get short of change we'll make sure we mention your name again in our Corner...

We just received a call from Sheriff Curt to let us know that his department had apprehended a suspect allegedly responsible for the assault on a Frederic lady in her home Friday...we know we have a bunch of characters in our county but, we don't need these kind of dingbats...a bit more of the details appear on page one.

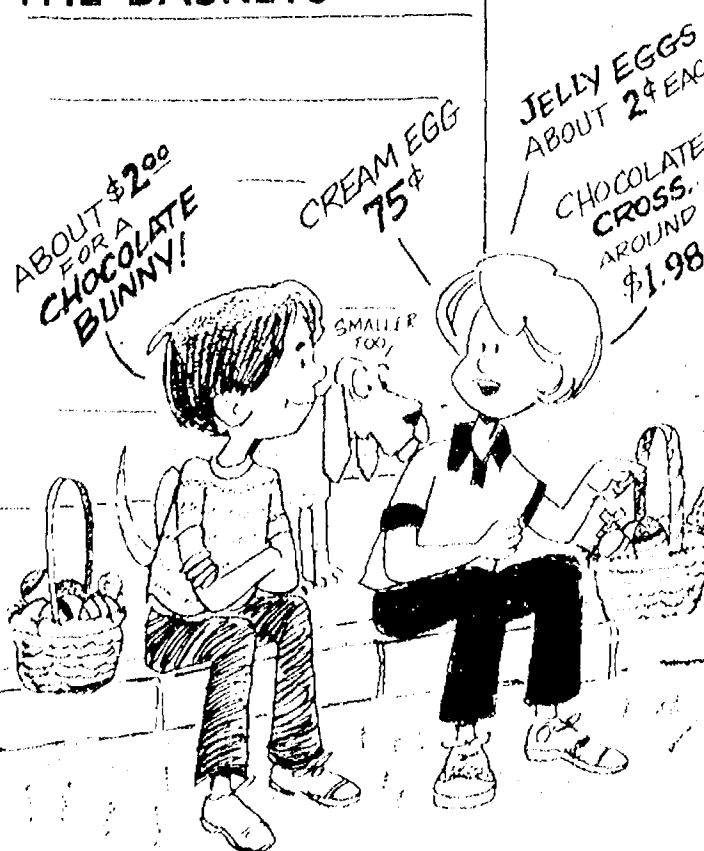

An idle thought...we have been wondering...did John buy us that orange pop just because we mentioned his name in last week's corner, or, is he trying to make amends for not taking care of our corner while we were gone?

The way this turkey is going today, we are thinking right now to have Rena set it in 12 point type just so the ole fella can fill his part of the paper this week.

This is just in case any of our readers wish to know how we will be spending Easter...plans now call for us to head for T.C. Saturday afternoon so we will be able to be there when the Easter Bunny stops at T.J. and Stef's house...

To all of our readers...we wish you all a very joyous Easter with your loved ones...

April 4, 1957

Mr. and Mrs. Robert Strong and Bob spent Saturday in Mt. Pleasant with their daughter and sister, Mr. and Mrs. Robert Luter. The men attended a track meet between Western Michigan and Central in the afternoon.

Mickey Stillwagon was 11 years old April 1st. His mother, Mrs. Lewis Stillwagon gave a party Saturday afternoon at home, with 11 friends helping Mickey to celebrate. Billy Joseph and Steve Dawson won prizes in the games played. A hearty luncheon, topped with traditional ice cream and birthday cake, was served. Mickey received some very nice presents.

Mr. and Mrs. Victor Papendick and son Michael of East Lansing were weekend guests of their parents, the Eugene Papendicks and the Elroy Barbers in Frederic. Miss Barbara Lister and Carl Meller of Petoske were visitors Saturday at the Papendick home.

Mrs. Marion Burtch and daughter Marilyn drove son Jim Burtch and Dale Pettengill, Jr., to East Lansing Sunday, where the boys resumed their studies at MSU.

Mr. and Mrs. Art Clough and son Kerry returned last weekend from Englewood, Fla., where they have been since the latter part of January.

Miss Mary Jane Wakeley of Central Michigan College spent the weekend with her parents, the Arthur J. Wakeleys.

Little Miss Carol Jeanne Barber daughter of the Roger Barbers, was three years old Wednesday, March 27th.

Mr. and Mrs. John Alef and two boys, and Mr. and Mrs. Charles Moore left Wednesday for a two-week vacation in the southern states.

Breakfast guests of Mr. and Mrs. Bruce Smith and family Saturday morning were Mrs. Smith's uncle and aunt, Mr. and Mrs. Nick Bonifas of Isabella, in the UP. Mr. Smith was in Mancelona Saturday also, to visit Mr. and Mrs. George Ounry.

Mr. and Mrs. Lacey Stephan and Lacey, Jr., spent Sunday in Traverse City with their daughter, Mr. and Mrs. Steve Hanna. Lacey Steve Hanna, who has been visiting his grandparents for some time accompanied them.

Dr. and Mrs. B.E. Henig left Thursday night with their daughters Jeanette, Gretchen, Candace, Claudia and Bettina, for Lansing, where Bettina was left with her grandparents, the H.E. Farringtons, while the rest went on to St. Petersburg, Fla. Dr. Henig attended a southeastern surgical conference the first week in April at St. Pete. The Henigs planned to return from their vacation April 24th.

Miss Rhea Stripe was 9 years old Tuesday, April 2nd. Nine of her friends came in about 4 o'clock in the afternoon to play games and enjoy a birthday dinner at the Joseph Stripe home. Rhea received some very nice gifts.

Mrs. Roy Trudgeon left Monday by plane from Traverse City airport to visit her niece, Miss Barbara Thelan, in Pasadena, Calif., for about two weeks.

It was a tight race for the office of supervisor of Grayling Township between Fred Niederer, Republican, and Frank Sales, Democrat, the former winning by a vote of 249 to 234. Sam Smith for Clerk and Amos Hunter for treasurer, had good majorities over their Republican opponents, Chris Olsen and Chris Jensen.

The Grayling Lumberjacks decided it was time that they won their annual independent basketball tournament themselves, and proceeded to climb all over the opposition to the top of the heap. Grayling won four games. The Jacks started out with a win over West Branch, then toppled East Jordan by a narrow margin, and pushed the Grayling Wolverines out of the picture. After having been gracious hosts and letting other teams edge out the victory for the last two years, the Lumberjacks hung a 20-point defeat on a strong Clare team to cop the high honors and the gold basketballs at the annual tournament.

Mr. and Mrs. Paul Ziebell

spent Easter with their daughter and husband, Mr. and Mrs. Fred Catlin, in Toledo.

The Fred Welsh home is under quarantine with scarlet fever. Tom is the victim.

Mrs. Lucy Morency and son Leo and wife of Detroit visited relatives here over Easter.

Claude cardinal has rented the lunch room of the Moshier garage on US-27 and opened up a recreation parlor. He also serves lunches.

Virgil Justice of Roscommon has been appointed fire warden for Crawford County, and with his family expects to move to Grayling soon. This position was formerly held by Charles Gierke.

Miss Lillian Swanson spent the weekend in Detroit. She accompanied Stewart Rutledge, of Roscommon, and they visited the latter's grandparents.

Mr. and Mrs. George Sorenson are the happy parents of a nine pound boy and Grandpa Peter E. Johnson wears a smile that will never wear off.

Frederic flashes—Mrs. T. Calahan is afflicted with tonsillitis.

John Armstrong has the mumps.

Mrs. George Colleen is on the sick list.

The population of our town has increased wonderfully lately as forty-one registered here. Where did they all come from?

Ace Leng is home from Ann Arbor much improved.

Tuesday, March 28th, was Hospital Day in Grayling. The honor and glory of the success belongs to the ladies of Grayling, who worked so hard and faithfully. Mrs. George Alexander as general chairman of the day, had her forces well marshalled. The reception committee attended to the two thousand and more persons and showed them through the building and explained all to the satisfaction of the guests and citizens. The refreshments committee led by their chairman Mrs. C.T. Jerome did heroic work in serving the vast multitude of persons. The Grayling Nurses, young ladies of the village, certainly "tagged" everyone in sight. They under the command of their hustling chairman, Mrs. M. Hanson, helped to make hospital day a great success in a financial and advertising way. The donation committee under the able leaders Mrs. S.N. Insley and Mrs. Robert Roblin, were always on hand to thankfully accept the many and various donations for the hospital. Last but not least, great credit for the success of the day is due to the bustling soliciting committee under the chairmanship of Mrs. Charles Amidon and Mrs. R.W. Brink. The unanimous opinion of everyone is that the hospital is a modern and up-to-date institution, one which compares with any of its size in the state, and one which every citizen in Grayling may well be proud of.

The breakdown of the family structure in our society is, in

The Bible Speaks

CHILDREN TO DIVORCE PARENTS??

Were you shocked a few weeks ago to read about the Swedish government seeking to protect children's rights by allowing them to divorce their parents? According to a government spokesman, "only if the parents had shown themselves to be unsuitable...only if they no longer function properly as parents." For example, "a 16 year-old who went to live with her boyfriend would have the opportunity to divorce her parents if they objected to the relationship."

Although Sweden has lead the U.S.A. in the present "sex revolution", the kind of thinking shown above is even being pushed by some in Michigan. House Bill 4774, known as the Clodfelter bill incorporates the Swedish concept of permitting children to "divorce" their parents, according to State Representative Connie Binsfeld, who has sharply criticized the bill. Mrs. Binsfeld said, "Clodfelter's bill no longer requires children to obey the reasonable and lawful commands of their parents." she said, "If a mother tells her seven year old it's time to go to bed, the child can tell her flatly that he won't and the law would not stand behind her. Children could also take their parents to court if they decide they would rather live with someone else."

House Bill 4774 will probably die from lack of support, but you can be sure it will be back again and again until our society becomes corrupt enough to pass it. It is ironic that any society could permit over 1 million innocent babies to be "killed" as victims of immorality, and yet will consider "killing" those who survive and choose to practice immorality. It is interesting that those who adore abortion of a person on the inside of the womb as a victory, often seem to abhor child abuse on the outside of the womb as a vice. Kill them or King them! What an age.

The breakdown of the family structure in our society is, in

reality, open rebellion against the order of God. The chain of order in the universe becomes visible in 1 Corinthians 11:3, "But I would have you know, that the head of every man is Christ; and the head of the woman is the man; and the head of Christ is God." There is order and equality in the Godhead. Concerning order, God the Father is first, God the Son is second, and God the Holy Spirit is third. Now all three persons are equal as God, but each has a specific office and function.

God ordained the family and gave roles and functions to each member. Man is given authority as the head. (Genesis 3:16; Esther 1:22; Ephesians 5:23 and 1 Corinthians 11:23). Man is responsible to submit to God, 1 Corinthians 11:3; separate from authority of parents, Ephesians 5:31; love his wife, Ephesians 5:23, 28, 33, honor his wife as a weaker vessel, 1 Peter 3:7, not provoke his children to wrath, but nurture and admonish them to maturity, Ephesians 6:4.

Wives are to submit to their husbands as unto the Lord, Ephesians 5:22; in everything, Ephesians 5:24. She is to do this in an attitude of honor, Esther 1:20, and reverence, Ephesians 5:33, with a desire to please her husband, Genesis 3:16.

Children are commanded to "Honor" their parents. (Exodus 20:12; Matthew 15:4; Mark 10:19; Luke 18:20). "Children obey your parents in all things: for this is well pleasing unto the Lord." Colossians 3:20. See also Ephesians 6:1-3.

Man, wife and child are all equal before God, but equality does not justify disorder and disrespect and disloyalty to each other in our God given roles. (adv.)

**THOUGHT FOR FOOD** By GOULD CROOK

DEVILED PORK CHOPS

4 rib pork chops, cut 3/4 inch thick

4 tablespoons catsup

2 tablespoons vinegar

2 tablespoons grated onion

1/4 teaspoon dry mustard

2 teaspoons Worcestershire sauce

1/8 teaspoon curry powder

1/2 teaspoon salt

1/4 teaspoon paprika

1/2 cup hot water

Place the chops in a frying pan and set aside. Combine the catsup, vinegar, grated onion, mustard, Worcestershire sauce, curry, salt and paprika to make a paste. Spread this over both sides of the pork chops. Cook slowly over a low heat for 30 minutes.

Start the oven and set at 350° F. Pour the hot water around the chops and bake in the skillet for about 1 hour. Baste every 10 minutes with the liquid in the skillet. Serves 4.

**FLORIDA SCUBA DIVING TRIP**—Anne Rolfe, daughter of John and Caroline Rolfe, of Grayling, was one of a group of thirteen young people from Lake Superior State College who spent their term break scuba diving off the coast of Florida. They left Sault Ste. Marie on February 29 and spent ten days at Key Largo, Florida, where they camped at John Kennecamp Park. The group was led by Rick Bertram of Coastal Marine Diving Shop of the Soo who had taught the scuba diving class at Lake Superior State. Their first experience at diving was done at the pool at the college.

Among the sea life that Anne saw were a seven-foot wide spotted eagle ray, sand sharks, sea turtles, barracuda, morey cel, and jellyfish, as well as millions of other kinds of fish. They did some sight-seeing in Miami and Fort Lauderdale before returning to the Soo. (Photo by Rick Bertram)

Spring Break-Easter Vacation.**THANK YOU:**

I would like to take this opportunity to thank all the parents who visited the middle school this past week, during Parent-Teacher Conferences. It is rewarding to the teaching staff to know that parents are behind the schools efforts in providing the best education possible for the youngsters of Grayling.

The turnout of parents was the best in years. It is refreshing to the teachers to know that most parents do care about their children's education.

Sincerely,  
Dale A. Nicholas,

Carla Jean Gingerich will serve as the 1980-1981 president of the Grayling Co-operative Nursery School. Karen Ross, Bob Hoagland, Vicki Sadler, Betsy Deakins, and Marilyn Hartman were elected to the Executive Committee. The new Executive Committee will meet on Monday, April 14, at 6:30 p.m. at the Nursery School Building.

The children will have their Easter Party on Wednesday, April 2nd and Thursday, April 3rd. The Easter Bunny, Big Bird, and a clown will be on hand to help the children celebrate. An Easter Egg hunt will be held outdoors if the weather permits.

The children have been enjoying the new games and equipment that was purchased with the proceeds from the Santa's Shop. Terry Schroeder, the 1979 Santa Shop chairman, presented the Nursery School with a check for \$702.13, which represented the profit from the Santa's Shop. Mrs. Fisher, the teacher, used \$200.00 to purchase games, puzzles, and other learning materials to facilitate small motor development. \$109.00 was used to purchase a Sand and Water Table. The table arrived last Friday and Rocky Tobin, a student aide, was busy putting it together. The remaining money will be used to purchase Outdoor Playground Equipment for the children. The 1980 Santa's Shop is now being planned. A workshop meeting will be held on Wednesday, April 23rd, at 7:00 p.m. in the Nursery School Building. Anyone with ideas for the 1980 Santa's Shop, should plan on coming.

**BPW To Meet**

The Business and Professional Women of Grayling will meet at 6:30 p.m. Wednesday, April 9th at the Grayling Holiday Inn. Speaker for the evening will be Robert Stacey of the State Police Forensic Lab. All interested working women in the area are invited to attend.

Straight Tourney**

Coach Bill Bedford's Middle School Wrestling Team captured its tenth straight wrestling tournament championship over the past five years with a win at Benzie Central last Saturday. Grayling amassed 231½ points to 212½ for Benzie Central, 133½ for Frankfort and 41½ for Manistee Catholic Central.

Placing for the Little Vikings in First Place were: Kevin Reynolds-66 lbs.; Tim Moore-73 lbs.; David Metzger-80 lbs.; Dan Sellers-108 lbs.; Dave Brooks-129 lbs.; Dale Whiting-136 lbs.; Wayne Berry-155 lbs. and Tom Sorenson-165 lbs.

Coming in Second Place were: Shawn Kraycs-73 lbs.; Jay Watters-87 lbs.; Sean Linkhardt-115 lbs.; and Barcie Cross-145 lbs.

Those placing Third were: Israel Johnson-73 lbs.; Tony Partello-87 lbs.; Jeff Branch-94 lbs.; and Ron Wyman-101 lbs. Chris Brietfeld-101 lbs. and Kevin Wakeley-heavyweight, both placed fourth.

This concludes the 1980 season of wrestling. Most of the boys will now turn their talents to Little League Baseball as Boys' Middle School Track was lost to the millage loss.

**TIME TO  
SWEEP  
CLEAN**

No-one likes cleaning out a garage or basement. But Spring is a good time  
to discard unwanted items—old furniture, clothing etc., that can cause disorder  
to your home.

When you sell, one of the more attractive features you can offer is plenty  
of room—more room than the prospect is used to. He needs space for his furni-  
ture and special belongings and even for his unwanted items. To make sure the  
space possibilities of your home look impressive you need to remove what you  
can.

The things you can't throw out can be put in an orderly manner. Nicely  
stacked boxes in a garage corner look better than a mixture of items lying  
about. Neat closets appear larger. Kitchen cupboards appear more roomy if pans  
are neatly stacked, and cans or boxes carefully aligned.

When you are ready to sell, we will assist you in going through your house  
to pick out the small housekeeping and repair jobs that will make your home  
more desirable. Contact ERA Keith Dressel Realty, 517-348-6111 today!

## Tourism Management Seminar at Kirtland CC April 24-25

Jerre Lewis, head of the  
Business Department at Kir-  
tland Community College an-  
nounces that a Tourism Man-  
agement Seminar is being held  
at the college on April 24 and 25,  
1980. This seminar is presented  
by Kirtland Community College  
and co-sponsored with  
Michigan State Cooperative Ex-  
tension Service, the East Mich-  
igan Tourist Association, Small  
Business Administration, and  
the Small Business Develop-  
ment Division. Its objective is  
to provide up-to-date infor-  
mation on management,  
marketing, and finance, essen-  
tial in the operation of a  
small/large business.

Topics of the two day seminar  
will include: hospitality/mar-  
keting promotion; tourism  
management; financial plan-  
ning; analysis and  
management; customer  
relationships; and many other  
sub-topics.

Fees for this course include a  
\$5.00 registration fee, a \$13.00  
course fee (\$19.00 for out of  
district students) and \$10.00 for  
lunch and refreshments for both  
days. A certificate of com-  
pletion will be awarded to each  
participant upon completion of  
the Tourism Seminar.

## Cong. Albosta Against Social Security Taxation

Washington—Rep. Don Albo-  
sta, D-Mich., urged members of  
a House subcommittee Tuesday  
morning to support legislation  
designed to prohibit the  
taxation of Social Security  
benefits.

Albosta appeared before the  
Subcommittee on Retirement  
Income and Employment on  
behalf of his bill, H.R. 6012,  
which would write the tax-  
exempt status of Social Security  
benefits into law.

Recent proposals to tax this  
type of income, including a plan  
offered by the Advisory Council  
on Social Security to tax 50 per-  
cent of a person's benefits,  
prompted Albosta to speak  
before the subcommittee.

In his opening statement to  
the subcommittee of the House  
Select Committee on Aging,  
Albosta called the Advisory  
Council's recommendation a  
"misguided suggestion."

The recommendation to tax  
Social Security benefits  
"exhibits a lack of concern for  
an element in our society that  
has already paid its dues," the  
congressman said in defense of  
tax-exempt benefits.

"We collect Social Security  
taxes from people during their  
years of employment," Albosta  
said after his statement. "But a  
majority of the Advisory Coun-  
cil apparently feel this is not  
enough. They are suggesting we  
tax people twice, by taxing  
them in work and in retirement."

"I wholeheartedly disagree  
with the Advisory Council.  
It certainly would be improper for  
the federal government to  
change course in midstream at  
the expense of our elderly  
public."

Albosta's bill has gained  
widespread support in the  
House, with 190 members  
having cosponsored the  
measure as of Tuesday mor-  
ning.

In a related development,  
Albosta told the subcommittee  
that he has succeeded in getting  
a resolution, instructing the  
House Ways and Means Com-  
mittee to consider his bill, on  
the agenda of the Democratic  
Caucus.

Albosta wants Caucus mem-  
bers to join him in openly op-  
posing any move by the federal  
government to institute a tax on  
Social Security benefits.

Albosta said he is very  
pleased at the reaction to his  
proposal and that he will con-  
tinue to work to insure Social  
Security benefits remain exem-  
pt from taxation.

## Scouts Visit Dog Pound

On the 3rd of March Den 2-  
Pack 3993 went to the dog pound  
with Mr. Harwood. The catcher,  
Mrs. Matthews, gave us a tour  
of the dog pound.

She showed us all the dogs.  
One of the dogs looked like  
Tramp. There was a rabbit  
hound named Lady and a black  
and white sheep dog. A dog Mrs.  
Matthews got on Valentine's  
Day was named Valentine. The  
puppies have a dog house and  
coop of their own.

There were also two shaggy  
dogs. One had a collar put on its  
neck when it was a puppy and  
never enlarged as the puppy  
grew up so the collar had grown  
into its neck! Mrs. Matthews  
told us she had to do surgery on  
it. It was a very interesting trip.

## Roscommon Society to Present Meadow Brook Production

The Meadow Brook Theatre will bring its professional production of Emlyn Williams' Murder-Thriller, "Night Must Fall" to Roscommon on May 6, 1980 to perform at the Roscommon High School auditorium at 8:00 p.m. under the sponsorship of the Roscommon Chamber Music Society-Arts Council and the Michigan Council for the Arts.

The Murderer in "Night Must Fall" is a bellhop named Dan who works in a luxurious english hotel. After killing one of the female guests and concealing her body on the grounds of a nearby bungalow, he proceeds to charm his way into the home and onto the payroll of the elderly woman who owns the property where the corpse is concealed.

"Night Must Fall" is not intended as a "Who-dun-it" but is rather a "How-it-was-done". The audience knows from the

outset who the murderer is. The suspect of the play lies in watching the other characters slowly discover that the killer is none other than the engaging bellhop in their midst. The 1937 film version starred Rosalind Russell, Robert Montgomery and Dame May Whitty. Albert Finney and Susan Hampshire headed the cast of the 1964 motion picture.

Playwright Emlyn Williams is also an outstanding actor. He played the role of the psychopathic bellhop, Dan, in the London and Broadway productions. As a maturing actor he has developed two enormously successful state vehicles for himself, "Emlyn Williams as Charles Dickens" and "Dylan Thomas Growing Up". His success in these two solo works probably encouraged other actors, I.E. Hal Holbrook in "Mark Twain Tonight", James Whitmore's "Will Rogers: U.S.A." and Julie Harris as "The Belle of Amherst, Emily Dickinson".

Of all of his plays, Williams is best known for "Night Must Fall" and "The Corn is Green". The latter play received the New York Drama Critics' award as best foreign play of 1941. It was a great success in London with Dame Sybil Thorn-dyke (Williams portrayed Morgan Evans, the young scholar-miner), as well as in New York, with Ethel Barrymore. The motion picture version, considered a classic, featured Bette Davis, while a recent television production starring Katherine Hepburn as the school teacher, Miss Moffat, was less well received.

"Night Must Fall" will have enjoyed a four week run at Oakland University in Rochester before it comes to Roscommon. The performance of "Night Must Fall" in Roscommon is made possible by the Michigan Council for the Arts and the sponsorship of the Roscommon Chamber Music Society-Arts Council.

## Nancy Vogt Earns U of M Honors

Nancy Elizabeth Vogt, Rt. 1, Roscommon, was one of 4000 University of Michigan students earning recognition at the university's annual Honors Convocation March 28th.

A student in the College of Music, Nancy was recognized for Class Honors, earning an undergraduate academic record equal to at least half A's and half B's for two terms of study.

David V. Ragone, dean of the U-M College of Engineering and president-designate of Case Western Reserve University, was featured speaker. A reception and tea was held for honor students and their families.

## Warn About Flying Kites

Prudenville—The only sure thing about the weather this time of year, says G.L. Brown, Area Manager of Consumers Power Company's Prudenville Area, is that many days are good for flying kites.

With the kite-flying season, however, comes danger to youngsters who sometimes forget about safety in their eagerness to fly their kites. So Brown urges parents and school officials to emphasize safety to children, both at home and at school, before they send their kites aloft.

Brown passes on the following tips for parents, teachers and area children:

1. Use only dry string-not wire or anything metallic-with your kite.
2. Never use wire or metal in the construction of your kite. Only wood, paper and plastic are to be used.
3. On rainy days, keep your kite indoors. Wait for dry days.
4. Stay away from busy streets and highways while flying your kite. Be careful not to run across a motorist's path.
5. Don't fly your kite near radio or television antennas.
6. Keep well away from electric wires.
7. If your kite becomes snagged in a power line, don't try to pull on the string or climb the utility pole. It's better to lose a kite than your life.
8. If you see a kite tangled in electric lines—even if it isn't your own—call Consumers Power and let them know the location.

"Kite flying is fun. Don't let it lead to tragedy," Brown concluded.

## Sweet Adelines Activities

The Mid-Mitten Chapter has been very busy. On Saturday, March 15th, they had a coaching session with their Director, John Noteware, and Fred Kientz. Between the hours of 3-9 with only a short lunch break, they were hard at work. Much is accomplished at these coaching sessions.

On Wednesday, March 26th, the chapter sang for the employees of the First National Bank at Houghton Lake Heights. We had a very good time performing and found out everyone enjoys singing if encouraged just a little!

From this sing out the chorus adjourned to the Methodist Church for additional rehearsing and fitting of new dresses.

On April 2nd rehearsal will be back at the Roscommon Middle School and on April 9th, we will meet in Houghton Lake at the Methodist Church while school is on Spring break.

# Around the World With Steve Rison

February 8, 1980  
EDITOR'S NOTE—This is part one in a four part series covering Steve Rison's "Trip around the World."

The adventure continues with two more countries experienced and other than being stung by a "blue bottle" (small jellyfish-like thing) I remain reasonably intact.

The last I wrote I was leaving Fiji and heading towards New Zealand. I arrived there the first week in December and rendezvoused with Bob and Jackie, two friends from Manistique, and together we began our hitchhiking experience which took us to most corners of both the north and south islands.

We began in the north hitchhiking separately then rendezvousing to camp together at motor camps, hostels or at one of the many contacts provided by friends along the way. Motor camps, popular for New Zealand travel, with cabin, caravan (trailer), and camping facilities, were all quite nice (except for the camp near Fox Glacier which was being operated by a reincarnated "wicked witch of the West"). The countryside in the north was all very beautiful with lush green rolling hills and many many sheep or dairy cattle. It was spring at the time and thus the pleasantly warm days brought on fields of amazingly unique and colorful wildflowers (even nicer than my begonias.) The energy and sparkle of the countryside corresponded with the enthusiasm of our many hosts as they tried to fill our days with side trips to isolated Kauri

forests, scenic out-of-the-way bays and inlets, historical sites, and a few pubs for good measure.

New Zealand is a country of contrasts and after a most rewarding tour of the North Island, we crossed the Cook Strait for the south. The weather became cooler as we headed south (a switch eh?) and the terrain more dramatic as we encountered the majesty of the Southern Alps Mountain Ranges, rainforests & glaciers side by side, and some wild and mysterious "bush" (land areas with characteristics of woods and jungles). "Tramping the bush" (walks in the woods) were especially nice there in that there was nothing poisonous or dangerous in the entire country (save for one rarely seen spider and the Prime Minister-according to many).

Issues of unemployment, inflation, big government versus individual liberties were all current topics of concern similar to the states. The economy in New Zealand was in especially bad condition and immigration of the youth to Australia (much better shape) was high. Prices on some items were phenomenal—cars, a prime example. Could you imagine a '74 Gremlin with a price tag of \$3,000.00, '77's and '78's six or seven thousand dollars? Oh, what I could have done with a beat up old orange (and rust) Gremlin over there!!

Christmas was spent in Queenstown, a pleasant city set on a lake surrounded by mountains in the southern part of the South Island. We arrived there, along with a couple other friends recently met from California, after a rather harrowing ride through the mountains during one of the torrential rain periods. The rivers turned into raging torrents with incredible waterfalls everywhere and the Haast Pass bridge over which we passed was closed two hours later because of the many landslides along the route and fears of the possible bridge collapse.

(To be continued)

# 'Ms' stirs a bit of controversy

RICHARD MILLIMAN

TWO LITTLE letters—the letter "m" and the letter "s"—are causing quite a stir in newspaper style circles, at least when they are joined together, such as the title "Ms."

The prestigious London Times recently announced it was banishing the title "Ms." from its pages.

"The forlorn fatherless and motherless little word Ms. is cast into the lexicographical outer darkness," wrote columnist Trevor Fishlock.

"This is a rallying point for common sense. There are several reasons Ms. should be allowed no air. It is artificial, ugly, silly, means nothing and is rotten English. It is a faddish middle-class plaything, and far from disguising the marital status of women, as is claimed, it draws attention to it. It is a vanity."

Fishlock continued that "There is an important battle to be fought for all women, not just a tiny elite...Ms. is one of the excesses of the revolution and should be junked."

SO SAYS the London Times, which is entitled to its own opinion and can set its style as it chooses.

Apparently there are as many viewpoints on Ms. as there are newspapers. At The New York Times, the stylebook permits Ms. only in quoted material, letters to the editor, and in news articles when discussing the term itself.

The Associated Press stylebook suggests Ms. to be used only if it is the preferred title. At The Detroit News, women are usually asked their preference to be called Mrs., Miss or Ms. At The Detroit Free Press, Ms. is used at a woman's request.

AS COULD be expected, most so-called leaders of the "Women's Movement," is such can be properly identified, disagreed with Londoner Fishlock and his newspaper.

"I think America has declared its independence from England a long time ago and we need not pay attention to this," said Gloria Steinem, editor of Ms. magazine.

"The term Ms. is very important and I think men would realize this if they had the male equivalent of Mrs. or Miss...Women should be called whatever they want to be called."

Author Betty Friedan said Ms. is "a perfectly commonsensical way to indicate women." Demanding that the term be accepted "isn't the most important battle" of the women's movement, she said, "but it makes a lot of sense. All men are called Mr., regardless of marital status, simply as adult persons."

Barbara Rochman, a leader of the National Organization for Women, said: "Men never have been classified according to marital status. Women are. That shouldn't be. I don't think it's an elitist issue."

FROM WHERE I sit, the women are right on this one—which is probably the first time I've ever agreed with Ms. Steinem and Ms. Friedan on anything. Personally, I prefer Ms. to no title whatever. Take your choice—Mrs., Miss, or Ms. They're all okay with me.

As a matter of fact, I find using Ms. in correspondence or in newspaper writing very helpful when I don't know what other title the woman in question might prefer. What I don't like is the use of the last name of a woman without some title in front of it—Ms., Miss, or Mrs.

The whole question is a difficult one, especially for those of us who don't consider ourselves (and don't intend to be) chauvinistic, but who do prefer to practice what we used to call a sort of chivalry...which is simply a version of common courtesy and human concern for others.

Par for the Course

By Fay Bovee

With this unseasonable good weather, everyone must be looking forward to the opening. The Club officially opens this Friday, April 4. There will be a Happy Hour from 4 to 6 o'clock and they'll be looking for you over there.

Tom Brogger is returning as Club Manager and he and Sandy have already arrived in Grayling from their winter at Michigan State. We will miss Sandy as Assistant Manager this year. She will be helping out until Tom hires help for which he is taking applications. The clubhouse phone is 348-9941 for those interested in applying.

Several changes were made to the course last fall that should improve play. Several more trees were planted on the course. Tee changes were made on number 2, 4, and 7, and number 2 green was redesigned.

For information on men's leagues, contact Gary McLaughlin, for the Thursday night league, Deanne Weiss, and Monday women's league, Sharon Klinger.

Don't forget the opening day, weather permitting, Friday April 4—see you at Happy Hour!

STATE OF MICHIGAN

In the Circuit Court for The County of Crawford

In the matter of the petition of the Michigan Department of Transportation for condemnation of private property for highway purposes in the City of Grayling, County of Crawford and State of Michigan.

File No.: 80-004-328-CC

Peter G. Seward, No. P20242

Attorney for Petitioner

ORDER FOR HEARING ON PETITION

At a session of said Court held in the Court House in the City of Grayling, in said County, on March 24, 1980.

Present: Honorable William A. Porter, Circuit Judge

The above matter having come before this Court upon the filing of a Petition by the Michigan Department of Transportation for the acquisition of certain property in connection with the relocating, establishing, opening and/or improving of Highway M-72 and M-93 in the City of Grayling, Crawford County, Michigan, as more particularly described in the Declaration of Taking, it is necessary to be taken for said public improvement and praying for a hearing thereon to determine several matters including the date upon which the petitioner may take possession of such private property and the date for the impaneling of a jury to determine the just compensation for the taking of such private property.

On motion of Peter G. Seward, Special Assistant Attorney General,

IT IS ORDERED that the description of the property and names of the parties in interest as set forth in the Declaration of Taking filed in this cause are incorporated by reference and made a part of this Order.

IT IS FURTHER ORDERED that service shall be made in accordance with the provisions of Act 295, Public Acts of 1966, as amended, on each person named in the Declaration of Taking as an interested person.

IT IS FURTHER ORDERED that as to those parcels where personal service cannot be made in accordance with the provisions of Act 295, Public Acts of 1966, as amended, a copy of this order including a copy of the description of the property to be taken and the names of the persons having an interest in each such parcel shall be published in the Crawford County Avalanche, a newspaper published and circulated in this County, once in each week for three weeks consecutively.

IT IS FURTHER ORDERED that on May 12, 1980, at 10:30 o'clock in the forenoon, there shall be a hearing in the Circuit Court for the County of Crawford, in the City of Grayling, before the Honorable William A. Porter, Circuit Judge, for the following purposes:

1. To enter defaults on all parties in interest not appearing at said hearing and direct payment to them of the amount of the estimated just compensation as set forth in the Declaration of Taking filed in this court and cause;

2. To fix the date of which the petitioner may enter the property and take physical possession thereof;

3. To enter an order, where requested by the parties in interest, for the payment of the estimated just compensation placed on deposit with the Treasurer of the State of Michigan;

4. To set a date certain for the impaneling of a jury and trial as to the parcels on which compensation is being contested.

William A. Porter, Circuit Judge

## Time Is Short For Taxpayers

Detroit—Less than three weeks remain until the April 15 federal income tax filing deadline. About one million Michigan taxpayers will file their returns between now and then, IRS says. Some 2.4 million, or 70 percent, have already filed—most will be getting refunds. IRS has already issued about 1,600,000 refund checks, totaling \$1.1 billion, to Michigan taxpayers since the first of the year. Most refunds are being issued within six weeks, but IRS says, "Don't call about your refund unless eight weeks have passed." The process can't be speeded up they say, and the increased calls only tend to overload the phone lines for those still seeking tax help.

Returns filed with the IRS's service center in Cincinnati had been running as much as 26 percent ahead of last year for Michigan taxpayers, but now the pace is about even with last year. Michigan taxpayers will account for about 3.4 million individual tax returns by the end of the tax filing season.

For persons who have not yet filed, IRS suggests that you start now—last minute filers typically make the most errors, the agency says. If you need help, you can call toll free or visit the nearest IRS office.

The IRS toll-free information center is open Monday through Friday, 8:00 a.m. to noon and 12:45 p.m. to 4:30 p.m. Phone numbers are listed in the tax instruction booklets.

Some IRS offices in smaller cities are not open every day for taxpayer assistance. Internal Revenue recommends that taxpayers verify the local assistance schedule by phone before making a lengthy trip. In larger cities and metropolitan Detroit offices, IRS offices are open weekdays from 8:00 a.m. until 4:30 p.m.

IRS monitors a sample of each day's phone calls to promote accuracy to tax questions and courtesy to taxpayers. In addition, all tax returns prepared at IRS offices are reviewed for quality to ensure all schedules are attached and all line entries are made properly.

IRS toll-free number for area code 517 is 1-800-482-0676.

## Forward

(Continued from Page 1)

Mercy Hospital by Mr. Doremire.

This type of program has been in operation in Detroit Schools for over a year now with great success, and has recently been started on a volunteer basis in some Saginaw and Kent County Schools, but nowhere in the Northern Lower Peninsula of Michigan until now. Certainly Crawford County Citizens should be very pleased that such a program is being instituted here.

As most adults and teenagers know, the greatest danger of fatality in heart or breathing stoppages is time. If breathing and blood circulation is not restored within five minutes of its stoppage the brain begins to be damaged. If more than five minutes passes before resuscitation is accomplished some brain damage will undoubtedly be permanent, and the medical rule of thumb in such emergencies is that if ten minutes pass before restoration of breathing and circulation the damage is colossal, usually fatal.

In communities such as ours the chances of trained Ambulance EMTs arriving in less than five minutes in cases of breathing and circulation stoppage outside the immediate area of the City of Grayling is remote. The vital importance of training as many residents as possible in CPR capability is obvious.

The decision of the Crawford-AuSable School Board, the Superintendent of Schools, the Principal and the Teachers of Grayling High School deserves the highest commendation from our community for this outstanding forward step.

Starting with the graduating Class of 1983, 100% of all Grayling High School Grads will be CPR and Standard First Aid trained according to Kent Reynolds, Principal of Grayling High School.

Hopefully, it will be but a few years until there will be an individual trained and capable of successfully performing Cardiopulmonary Resuscitation within a few minutes of the majority of the residents of Crawford County.

Crawford County Chapter/American Red Cross is very pleased to cooperate with the High School and its Teaching Staff to achieve the American Red Cross Trained Instructors, the American Red Cross Text Books, and to provide the Certificates of Achievement to all Students who complete the CPR and Standard First Aid and Personal Safety courses.

Any adult who is interested in American Red Cross CPR or First Aid Training can telephone Mr. Doremire at his home, 348-9971. As Chairman of American Red Cross Safety Services in Crawford County he will be glad to inform you of current and contemplated CPR & First Aid Training Programs.

Called to order by Chairman Mattis at 1:00 p.m.  
Roll Call: Bidvia, Bonkowski, Halstead, Kitchen, Mattis, Miller, Neilson--Present.  
Invocation by Chaplain Halstead.

Visitors: Carol Warren, Chet Johnston, 2 Crawford/AuSable High School students, Mike Hauxwell, Don Geiss, Ed Rutkowski, & the members from the Crawford County Economic Development Corp. were Bonkowski, Gust, Carlisle, Lerg, Wakeley, DuBois, Nowak and Fick. Also the Bond Counsel representative from the firm of Miller, Canfield, Paddock & Stone, a representative from Weyerhaeuser Company & some citizens.

CORRESPONDENCE read & placed on file.  
Chairman Mattis reported on the areawide A-95 final review of the Airport access road project & that that committee unanimously approved this project.

Chairman also presented an Agreement for Professional Engineering Services from John Keir for the Airport Road project. The agreement gone over by the Board members.

MOTION by Kitchen, second by Bidvia, to authorize for these engineering services from John Keir & pay the fixed fee when due. Roll Call: All Ayes. Carried.

Carol Warren from NEMCOG came before the Board with a slide presentation on a Northeast Regional Transportation study that is being conducted by that agency.

Chet Johnston, manager of the Dial-A-Ride system spoke to the Board in regards to some complaints he has had on the services he provides on Sunday. The only areas he has serviced in the past are those within a five mile radius of Grayling, & the complaints have come from those people in the outlying area. His budget can't provide for full service on Sunday at this time.

Much discussion followed, then the Chairman referred the matter to the Transportation Committee for a recommendation.

Mr. Johnston reported further on the Dial-A-Ride activities.

Building Inspector Ed Rutkowski, came before the Board with a recommendation in regards to the bids that were received on the Jail Project No. 80-2, for the plumbing installation. He feels they were all quite high & recommends rejection of them all at this time. There are other alternatives that the Board could use for this project. He discussed these with the Board.

The Economic Development Corporation introduced Mr. Tony Moore from Weyerhaeuser Company who proposed to construct & operate a wood manufacturing facility within Crawford County. Mr. Moore gave a slide presentation what that company proposes. He answered questions from those in attendance.

The representative from the Bond Counsel firm also addressed the meeting & explained the issuing of bonds for this project. Questions answered. The Economic Development Corporation Board then passed their Inducement Resolution for this project.

At 4:20 p.m. the County Board then reconvened in the Commissioners office. The Board went over their Resolution with the Bond Counsel representative & County Treasurer Wakeley. Advised the Board that they need to appoint two people to serve on the EDC Board for this project. Chairman recommends appointing Andie Neilson & Jess Birtcher to serve.

MOTION by Bonkowski, second by Miller, to adopt the Resolution respecting the Intention to issue Revenue Bonds to finance industrial, pollution control, & solid waste disposal equipment & facilities for Weyerhaeuser Co. project and appoint Andie Neilson & Jess Birtcher to serve on the EDC board for this project. All Ayes. Carried.

## BOARD OF COMMISSIONERS COUNTY OF CRAWFORD, MICHIGAN

Resolution Respecting the Intention to Issue Revenue Bonds  
to Finance Industrial, Pollution Control,  
and Solid Waste Disposal Equipment and Facilities  
(Weyerhaeuser Company Project)

WHEREAS, Weyerhaeuser Company (the "Company"), a Washington State corporation, proposes to construct and operate a wood products manufacturing plant (the "Plant") to be located within the County of Crawford, Michigan (the "County"); and

WHEREAS, the Company proposes to acquire and utilize in the Plant, a so-called "panel trim saw and grading system" and related machinery, equipment and facilities (the "Industrial Facilities"); and

WHEREAS, the Plant would provide new jobs within the County, which would help alleviate and prevent conditions of unemployment, assist and retain local industry, and aid in strengthening and revitalizing the economy, and encourage the location and expansion of industries and commercial enterprises to provide needed services and facilities to the County and its residents; and

WHEREAS, for the protection of the public health, safety, and welfare of the County and its residents, and to provide heat for the Plant and its operations, the Company is considering acquisition of a wood waste burning system and related machinery, equipment, and facilities (the "Solid Waste Disposal Facilities") which would in part utilize for fuel, and aid in the disposal of, solid waste; and

WHEREAS, in order to operate the Plant, including the "Industrial Facilities, in accordance with environmental standards and thereby achieve for the County and its residents the aforementioned benefits, the Company proposes to acquire new, modern, and efficient pollution control facilities (the "Pollution Control Facilities") to be utilized in connection with the Plant, to aid in the abatement and control of pollutants which otherwise might emanate from the Plant; and

WHEREAS, the Company has specifically identified the Solid Waste Disposal Facilities and the Pollution Control Facilities listed and generally described in Appendix A, attached hereto, and constituting a part of this resolution as those which the Company deems necessary and appropriate; and

WHEREAS, the Company has requested the County, acting either through itself under Act No. 62, Michigan Public Acts, 1963, as amended ("Act 62"), or through an Economic Development Corporation (the "EDC") organized by the County under Act No. 338, Michigan Public Acts, 1974, as amended ("Act 338"), to assist the Company in the financing of the Solid Waste Disposal Facilities, the Pollution Control Facilities, and such portion of the Industrial Facilities as may be eligible for federal income tax-exempt financing under Section 103 of the Internal Revenue Code of 1954, as amended, and the regulations promulgated thereunder [collectively the "Facilities", and the Facilities, together with any other portion of the Plant (the "Related Facilities") which together with the foregoing Facilities would constitute a project under Act 62 or Act 338, respectively, collectively the "Project"]; and

WHEREAS, under the terms of the Company's proposal, the County or its EDC would issue revenue bonds or notes in an amount not to exceed \$15,000,000 (the "Bonds"), use the proceeds to acquire the Project (that portion constituting Related Facilities to be acquired for a nominal consideration) and then lease or sell on an installment basis, the Project back to the Company, or loan the proceeds to the Company to provide financing for the Project (such installment sale or loan to be on either a secured or an unsecured basis), or some combination of the foregoing forms of transactions with respect to various portions of the Project, all as the same may be permitted under Act 62 or Act 338, as those acts presently exist, or as they may be amended, and the Company would make rental, installment purchase, and/or loan payments, as the case may be, to the issuer of the Bonds, the payments being established in amounts sufficient to pay the interest, principal, and premium, if any, on the Bonds; and

WHEREAS, under any of the proposed forms of transactions, title to the Project would be conveyed back to the Company at any time, including immediately after acquisition, upon completion of construction of the Project or after payment of the Bonds, in consideration of the Company's obligation to make rental, installment purchase, and/or loan payments and nominal further consideration; and

WHEREAS, there is presently existing statutory authority for the County or the EDC to participate in the proposed lease-back or installment sale forms of transactions, and there is presently under consideration by the Michigan Legislature amendments to Act 338 which would permit the EDC to enter into loan transactions; and

WHEREAS, the Company proposes and requests that the County assist in the financing of the Facilities through the issuance of the Bonds by the EDC under the provisions of Act 338, or, if for any reason the EDC cannot issue the Bonds under the provisions of Act 338, or if it shall, in the opinion of bond counsel, become impractical for the EDC to issue the Bonds under the provisions of Act 338, then through the issuance by the County of the Bonds under the provisions of Act 62; and

WHEREAS, this Board of Commissioners is empowered under Section 8(8) of Act 338 to "utilize the [EDC] to issue obligations to accomplish the public purposes of the [County] set forth in Section 2, and for that purpose may by resolution direct the [EDC] to take appropriate action as set forth in subsections (1) and (2) with respect to a proposed project"; and

WHEREAS, in order to induce the Company to establish, locate and operate the Project within the County, and to indicate to the Company that the County intends that either the County or the EDC will issue the Bonds, it being the intent and purpose of this Board of Commissioners in adopting this resolution to provide a commitment of the County itself, or on behalf of the EDC, to issue the Bonds with respect to the Project, so as to satisfy the requirements of §103 of the Internal Revenue Code of 1954, as amended, and the regulations promulgated thereunder; and

WHEREAS, if the Bonds are issued under the provisions of Act 62, it will be necessary to publish a notice of intent to issue the Bonds, in order to comply with the requirements of Act 62; and

WHEREAS, it is desirable to begin proceedings either under Act 62 or Act 338 with respect to the Project and to retain the services of bond counsel to begin preparation of documents with respect to such Bonds;

## NOW, THEREFORE, BE IT RESOLVED THAT:

1. This Board of Commissioners determines it necessary, in order to help alleviate and prevent conditions of unemployment, assist and retain local industry, and aid in strengthening and revitalizing the economy and to encourage the location and expansion of industrial and commercial enterprises to provide needed services and facilities to the County and its residents, and for the public health, safety and welfare of the County, and a proper public purpose of the County, to utilize the provisions of either Act 62 or Act 338, as may be deemed appropriate, to assist in the financing of the Facilities and their location and establishment in the County, and to authorize the issuance and sale of the Bonds to pay all or a part of the cost thereof and the costs incidental to the issuance of the Bonds.

2. In accordance with the provisions of Act 62 or Act 338, and the provisions of this resolution, the County agrees that it will undertake to cause the Bonds to be issued by the EDC or, upon receipt of advice of bond counsel that the EDC will, for any reason, including impracticability, be unable to issue the Bonds, then it will undertake to issue the Bonds itself, in either case in one or more series, provided that all proceedings and documents necessary to the issuance of the Bonds under Act 62 or Act 338, as the case may be, are completed in form and substance reasonably acceptable to this Board of Commissioners, the EDC, or any other official body which must participate in the transaction, and either (a) acquire the Project as a whole or in portions, and lease or sell the Project as a whole or in portions, on an installment basis (whether secured or unsecured) back to the Company, and/or (b) make secured or unsecured loan or loans to the Company for the purpose of acquiring, constructing and installing the Project and/or (c) enter into some combination of the foregoing forms of transactions, all as provided by law.

3. To accomplish these purposes, the Chairman of the Board of Commissioners, should the Bonds be issued under the provisions of Act 62, is hereby authorized upon completion of the proceedings necessary to the issuance of the Bonds under Act 62, to negotiate the terms of, and, after approval thereof, to execute and deliver (a) to the Company, rental, and/or installment purchase agreement(s), pursuant to which the County will acquire the Project and sell the same to the Company, and under which the Company will agree to make installment payments sufficient to pay the principal of, premium, if any, and interest on the Bonds, and agree to other terms, including but not limited to default, indemnity, maintenance, and remedies under such agreement(s), all consistent with the requirements of this and subsequent resolutions, (b) to a trustee, mortgage(s) or trust indenture(s) which would incorporate provisions usually found in such instruments, including but not limited to provisions with respect to the disbursement of the proceeds of the sale of the Bonds, the security for the Bonds, the remedies of the bondholders and the trustee, and the

rights of the County, the Company, and the trustee with respect to the Facilities, the Project, and the Bonds, (c) to the underwriter, agreement(s) for the sale of the Bonds by the County, and (d) such other documents as shall prove necessary to the completion of the transaction.

4. The Bonds shall not be general obligations of the County or the EDC, as the case may be, and shall be payable solely and only from payments to be made to the County or the EDC by the Company, as shall be provided in such lease(s), installment sales contract(s) or loan agreement(s) as shall be entered into between the Company and the County or the Company and the EDC. The proceedings and agreements to be undertaken and adopted in relation to the acquisition and installation of the Project and the issuance of the Bonds shall contain such provisions as shall be necessary to make absolutely clear and certain that under no circumstances will the EDC, its Board of Directors, the County, its Board of Commissioners, and local units of government within the County, their governing bodies, or any official, citizen or taxpayer of the foregoing, ever be required to pay from tax revenues or other public funds, any principal, interest, or premium, if any, on the Bonds, and shall in addition contain provisions fully protecting the aforesaid governmental bodies and officials, with respect to personal liability, against any other liability or costs relating to the Bonds or the Project, and accordingly by adoption of this resolution, neither the County nor the EDC assumes any pecuniary liability or obligation to the Company for any loss or damage that may result to the Company from the adoption of this resolution or any non-issuance of the Bonds for any reason, except to the extent that the Project or the revenues therefrom are available to satisfy such liability, or to the extent of specific performance liability, and all costs and expenses of the issuance of the Bonds and any and all other costs relating to the installation of the Project shall be paid from the proceeds of the Bonds or from revenues derived from the Project, or by the Company.

5. The firm of Miller, Canfield, Paddock and Stone is hereby designated and retained on behalf of the County or the EDC, as the case may be, as bond counsel with respect to the Bonds to be issued in connection with the Project and is authorized and directed to prepare and submit to all appropriate parties all proceedings, agreements and other documents as shall be necessary or appropriate in connection with the issuance of the Bonds, and to make application on behalf of the County, to the United States Internal Revenue Service, the Commission, and other governmental agencies for income tax, securities, and other rulings and approvals as may be necessary in relation to the issuance of the Bonds, and the Chairman of the Board of Commissioners and the Clerk of the County, are authorized to execute such powers of attorney and other documents as may be appropriate in connection with the foregoing, and the legal fees of Miller, Canfield, Paddock and Stone for work done in connection with the sale, issuance and delivery of the Bonds shall be paid from the proceeds of the sale of such Bonds, or by the Company, and in any event shall be at no expense to the County or the EDC.

6. In the event that the Bonds are issued under the provisions of Act 62, and upon direction of bond counsel that such publication is necessary and appropriate, the Clerk of the County is authorized and directed to cause a notice of intention to issue the Bonds to be published in the Crawford County Avalanche which the Board of Commissioners hereby determines to be a newspaper of general circulation in the County, and which is the newspaper in which municipal announcements of the County are published. The published form of the notice shall be set forth in a prominent place and shall occupy an area equal to at least 1/4 of a normal newspaper page. The form of the notice of intention shall be substantially as follows:

## NOTICE OF INTENTION TO ISSUE INDUSTRIAL DEVELOPMENT REVENUE BONDS BY THE COUNTY OF CRAWFORD, MICHIGAN

TO ALL ELECTORS OF THE  
COUNTY OF CRAWFORD, MICHIGAN

TAKE NOTICE that the Board of Commissioners of the County of Crawford (the "County") intends to issue Industrial Development Revenue Bonds of the County, in an amount not to exceed Fifteen Million Dollars (\$15,000,000), maturing up to forty years from the initial date of issuance at an interest rate not in excess of 10% per annum or such higher rate as may be permitted by law for the purpose of financing the cost of acquiring and installing industrial, pollution control, and solid waste disposal facilities (collectively, the "Project"), as defined in Act 62, Public Acts of Michigan, 1963, as amended (the "Act") in, near or for use in connection with the Crawford County plant of Weyerhaeuser Company (the "Company") and costs incidental to the issuance of these bonds. The Project, as a whole, or in portions will be sold and/or leased to the Company under one or more installment sales or lease purchase contracts. Title to the whole, or one or more portions of the Project may be reconveyed to the Company at any time, including immediately after acquisition, upon completion of construction of the Project or upon payment of the Bonds.

## SOURCE OF PAYMENT

The Bonds will be issued in one or more series in accordance with the Act and the principal of, premium, if any, and interest on the Bonds will not be a general obligation of the County, and will in no event be payable from any tax revenues or other general funds of the County, but will be payable solely and only from payments to be received from the Company, other revenues, if any, derived from the Project.

## RIGHT OF REFERENDUM

This notice is given to and for the benefit of the electors of the County in order to inform them that THE BONDS WILL BE ISSUED WITHOUT SUBMITTING THE QUESTION OF THEIR ISSUANCE TO THE ELECTORS OF THE COUNTY, UNLESS WITHIN 45 DAYS FROM THE PUBLICATION OF THIS NOTICE, A PETITION IS SIGNED BY NOT LESS THAN 5% OF THE REGISTERED ELECTORS OF THE COUNTY, REQUESTING A REFERENDUM UPON THE QUESTION OF THE ISSUANCE OF THE BONDS, IS FILED WITH THE COUNTY CLERK OF THE COUNTY, in which event the Bonds will not be issued unless and until approved by a majority of the electors of the County voting thereon at a general or special election.

THIS NOTICE is given by order of the County Board of the County of Crawford, Michigan, pursuant to the requirements of Section 12 of Act 62, Public Acts of Michigan, 1963, as amended.

*Leo E. Lovely*  
County Clerk

7. The Board of Commissioners determines that in the event the notice is published under Act 62, the form of notice of intent authorized and the manner of publication directed is a reasonable and effective method of giving notice, and that the same constitutes adequate notice to the electors of the County concerning the nature and extent of the obligations to be represented by the Bonds, and any series thereof, and concerning the right of petition and referendum, considering all the circumstances, including the cost and availability of other means of notice, and the facts that:

(a) The Bonds will be limited obligations of the County and the payment of the principal of, premium, if any, and interest on

the Bonds is to be made solely from net revenues to be received from the Project being acquired and constructed with the proceeds of the sale of the Bonds and the payments to be made by the Company under one or more rental, installment purchase, or loan agreements.

(b) The Bonds will not constitute general obligations of the County nor constitute a debt of the County within the meaning of any constitutional, statutory or charter limitation.

(c) The County will not be obligated to assess any taxes whatsoever for the payment of the principal of, premium, if any, and interest on the Bonds.

(d) No elector of the County or other person will be required to pay any fees or charges in connection with the Project being acquired and constructed with the proceeds of the Bonds and all expenses in connection therewith are required to be borne by the Company.

8. With respect to issuance of the Bonds under the provisions of Act 338, the Chairman of this Board of Commissioners, with the advice and consent of this Board, does hereby appoint ANDIE NEILSON and JESS BIRTCHER as additional directors of the EDC for the duration of the Project, to serve as representatives of neighborhood residents and business interests likely affected by the Project.

9. With respect to the issuance of the Bonds under the provisions of Act 338, this Board of Commissioners hereby approves the Project Area designated by the EDC and described in Appendix B.

10. With respect to the issuance of the Bonds under the provisions of Act 338, this Board of Commissioners, based on the recommendation and the findings of the EDC, hereby adopted by this Board of Commissioners, as follows:

(a) Sufficient land is being acquired surrounding the Plant to act as a buffer area for the Plant and so as to include all property likely to be significantly affected by the Plant;

(b) There are clear boundaries to the Project Area, those being on the south, Five Mile Road; on the north, Four Mile Road; in the west, the power-line right-of-way running north-south about 1/2 mile east of I-75; and on the east, the railroad right-of-way running north-south about 1 to 1-1/2 miles east of I-75; and beyond such boundaries, a further buffer is provided by state-owned lands; and

(c) The Company has conducted or caused to be conducted studies regarding the impact of the Project, and based upon the results of these studies, has represented to the EDC that the Project will not have any land use, noise, pollution, environmental, traffic or any other significant physical impact beyond the boundaries of the Project Area;

hereby establishes that the boundaries of the Project District Area, i.e. the territory surrounding the Project which will be significantly affected by the Project, shall be coterminous with the Project Area and that the two areas shall be the same.

11. With respect to the issuance of the Bonds under the provisions of Act 338, it is hereby determined that the requirements of Section 20 of Act 338 have been met and that the formation of a project citizens district council is not required.

12. The County Clerk is hereby directed to deliver a certified copy of this resolution to the Secretary of the EDC.

13. All resolutions and parts of resolutions insofar as they conflict with the provisions of this resolution be, and the same hereby are rescinded.

I hereby certify that the foregoing is a true and complete copy of a resolution adopted by the Board of Commissioners of the County of Crawford, Michigan at a regular meeting held on February 27, 1980, and that said meeting was conducted and public notice of said meeting was given pursuant to and in full compliance with the Open Meetings Act, being Act 267, Public Acts of Michigan, 1976, and that the minutes of said meeting were kept and will be or have been made available as required by said Act.

I further certify that the following Commissioners were present at said meeting Bidvia, Bonkowski, Halstead, Kitchen, Mattis, Miller, and Neilson and that the following Commissioners were absent none

I further certify that Commissioner Bonkowski moved adoption of said resolution and that Commissioner Miller supported said motion.

I further certify that the following Commissioners voted for adoption of said resolution Bidvia, Bonkowski, Halstead, Kitchen, Mattis, Miller and Neilson.

and that the following Commissioners voted against adoption of said resolution none

Lawrence Mattis, Chairman  
Leo E. Lovely, Clerk

Special called meeting of the Crawford County Board of Commissioners held in the Courthouse in the City of Grayling on the 3rd day of March, 1980.

Called to order by Chairman Mattis at 9:00 a.m.

Roll Call: Bidvia, Bonkowski, Halstead, Kitchen, Mattis, Miller, Neilson-Present.

Visitors: Mike Hauxwell, Ervin Richter, Linda Harder, Bernie Fowler, Joe Wakeley, Larry Hunter, Charles Fox, Don Geiss, Gloria Kraus, Roger Rehberg, Walt Nowak, Evelyn Gardiner, Florence Nelson, Elizabeth Wieland, & Joan Patterson.

Chairman Mattis addressed the meeting, advising everyone that the purpose of this meeting is to consider financing for construction & improvements of the roads to the proposed industrial site in Crawford County.

The total cost of this project has been estimated by the Mich. Highway Dept. to be about \$330,000, of this, about \$66,000 would be born by the local agencies in Crawford County.

The Upper Great Lakes Regional Commission & the Mich. Dept. of Highways have signed letters of intent to participate in the amount of 80% of the total project.

Grayling Twp. Supervisor Bernie Fowler spoke on behalf of Grayling Twp. They hope to participate as their township is the largest & would possibly benefit greatly from this proposed project.

Ervin Richter & Gloria Kraus from the Road Commission advised the group that the Road Commission is prepared to commit approximately \$15,000 toward this project.

Roger Rehberg from Upper Great Lakes spoke to the Board & answered many questions for the group. The Company proposing this project hopes to be in full operation by the fall of 1981.

The Beaver Creek Twp. Board members in attendance advised the Board that they will be taking this matter up at a special meeting tomorrow. They hope to be able to contribute in the area of about \$10,000.

Grayling Twp. could possibly commit about \$6,000, leaving the County with about \$36,000 to come up with.

Treasurer Wakeley answered questions on the possibility of the County borrowing against anticipated taxes.

Equalization Director Hunter spoke on the effect this project will have on the anticipated revenues for the entire county.

Several comments from the audience & much discussion followed.

MOTION by Halstead, second by Miller, to authorize the Chairman to sign the Resolution of intent on behalf of the County with a commitment of \$36,000 as the County share for this road project. Roll Call: All Ayes. Carried.

## RESOLUTION OF INTENT

WHEREAS, there is a need to improve a portion of Four Mile Road, Crawford County, from 1-75 East to the Railroad Tracks so that the road meets all-weather condition requirements, one of the criteria established by an important Economics Development Opportunity, which may locate on a site fronting on Four Mile Road and in the process, create many new jobs for the area;

WHEREAS, the Michigan Department of Highways has recognized the importance of economic opportunity for the State of Michigan and Crawford County, realizing that the scope of the project would be prohibitive for local agencies to accomplish by themselves at this time;

WHEREAS, the Michigan Department of Highways has estimated the cost of reconstruction to be \$330,000 to include an all-weather road and a renovated railroad crossing, and that Federal Aid Secondary Funds would be appropriated to the project in amount of \$132,000 or 40%, which ever is lesser;

WHEREAS, the Upper Great Lakes Regional Commission, recognizing the economic importance of this project, intends to participate in the amount of \$132,000 or 40%, whichever is lesser;

WHEREAS, both the Michigan Department of Highways and the Upper Great Lakes Regional Commission officials have signed letters of intent to participate collectively in the amount of 80% of the total project with a maximum of \$264,000, contingent on the economic development opportunity becoming a reality;

WHEREAS, twenty percent of the project costs must be born locally, amounting to \$66,000 or 20%, whichever is the lesser;

NOW, THEREFORE BE IT RESOLVED, that the following local agencies have determined it to be in their interest to participate in amounts agreed upon totaling 20% of the total project cost or \$66,000, whichever is lesser, and hereby the appropriate individuals will sign indicating an INTENT TO PARTICIPATE (as approved by the separate governing bodies) contingent on materialization of the economic development opportunity indicated above.

Chet Johnston from the Dial-A-Ride system appeared before the Board with a Resolution for the Board to consider.

MOTION by Bonkowski, second by Kitchen, to adopt the Resolution & authorize the Board Chairman to sign. All Ayes. Carried.

CRAWFORD COUNTY BOARD OF COMMISSIONERS  
A RESOLUTION of support for a project to enhance the coordination/consolidation of services in Crawford County.

WHEREAS, countywide public transportation services are provided to residents of Crawford County via Crawford County Public Transit, and

WHEREAS, a number of additional agencies of organizations in Crawford County provide and/or purchase transportation services for their clients, and

WHEREAS, rising fuel costs and other economic factors such as increasing vehicle purchase price, maintenance, and insurance costs are creating difficulties for the several agencies to continue the practices of the past, and

WHEREAS, rising costs are creating increasing difficulties for many residents of the county to meet the basic requirements of daily living through operation of a private automobile, and

WHEREAS, potentials exist to increase the availability of transportation services to residents of the county and reduce the rate of growth in costs of transportation services through coordination/consolidation of such services, and

WHEREAS, the Michigan Department of Transportation is making grants available to local governments for purposes of investigating current services, future needs and optional approaches to meet those needs, and

WHEREAS, the Crawford County Board of Commissioners on January 14, 1980 passed a motion which authorized Crawford County Public Transit to submit an application for the grant funds, and

WHEREAS, the Crawford County Public Transit submitted an application to the Michigan Department of Transportation on January 29, 1980 per the authorization of the County Board, and

WHEREAS, the Michigan Department of Transportation provided comments relative to the application and suggested revisions be made to clarify work tasks and other items, and

WHEREAS, the Michigan Department of Transportation has indicated linkages should be established between the work program for the county project and multicounty project currently being performed by NEMSCA.

NOW, THEREFORE BE IT RESOLVED, that the Crawford County Board of Commissioners endorses the revised project proposal prepared by Crawford County Public Transit, dated March 3, 1980, and delegates responsibility to Crawford County Public Transit for completion of the project in the event the County is awarded the grant, and

BE IT FURTHER RESOLVED, that as the primary focus of the proposed project is upon coordination/consolidation of transportation services within the County and as it is recognized that there is a high level of traffic by residents of Crawford County to other counties and vice versa, Crawford County Public Transit will actively participate in and support the efforts of NEMSCA to 1) address means to improve intercounty transportation services, and 2) assure coordination is established between the services provided within Crawford County with those which may emerge to respond to intercounty transportation needs.

BE IT FURTHER RESOLVED, that as an application was submitted prior to the March 3, 1980 deadline for submittal of applications and as the revised work program was prepared at the suggestion of the Michigan Department of Transportation, the Board of Commissioners of Crawford County considers the revised application to be eligible for consideration for funding.

Lawrence Mattis, Chairman,  
Crawford County Board of Commissioners.

March 3, 1980

As there is no further business to come before this Board, Chairman Mattis adjourned the meeting at 10:45 a.m.

MOTION by Miller, second by Halstead, to adopt the following Resolution; All Ayes. Carried.

## RESOLUTION

WHEREAS, District Health Departments in the State of Michigan are formed pursuant to Part 24, Section 2415 of Act 368 Public Acts of 1978 and;

WHEREAS, In this formation process, single County Health Departments and District Health Departments are responsible to the same "Local Governing Entity" and;

WHEREAS, For purposes of Workmen's Compensation Insurance, single County Health Departments are allowed to belong to the "Michigan Counties Workers Compensation Fund" and the District Health Departments in this state by administrative decision are not allowed to belong to this fund, thus preventing Districts from sharing in the savings and other benefits of this fund.

THEREFORE, BE IT RESOLVED, That Crawford County being one of the local governing entities comprising the No. 1 District Health Department does hereby petition Bruno Czyrka, representing the "Bureau of Workers Disability Compensation Insurance Programs" to become a member in the Michigan Counties Workers Compensation Fund, thus eliminating the inequity and discrimination against District Health Departments by the Bureau of Workers Disability Compensation Insurance programs.

Lawrence Mattis, Chairman,  
Crawford County Board of Commissioners

Dated: 3-11-80

STATE OF MICHIGAN  
COUNTY OF CRAWFORD

I, Leo E. Lovely, Clerk of the Circuit Court of said County, do hereby certify that the foregoing is a true and correct copy of the Original thereof on file in this office.

Signed and Sealed at Grayling, Michigan this 12th Day of March 1980.

## COMMITTEE REPORTS

Crawford Co. Housing Rehab. Comm. report by Bidvia.

Council on Aging report by Bidvia.

Transportation report by Bidvia. The committee had discussed the matter of the Dial-A-Ride system & their problem on the Sunday services they provide. The Committee recommended to Mr. Johnston to continue his service as is for the time being.

Airport report by Kitchen. The Airport is in the process of purchasing 2 snow-plows from Roscommon County Road Commission.

Bldg. & Personnel report by Halstead. The work in the jail has been completed. The Sheriff now would like to have installed a gratted type door over this new security door as someone has already escaped through this new exit door. The committee is working out a new schedule of work hours for the custodial staff. The request from the Bldg. & Zoning Director for a promotion for his Secretary was denied because of lack of funds. Also had to deny the Clerk's office an additional person for lack of funds.

The remodeling at the Secretary of State's office is being held in abeyance as that office has not committed itself yet to a new lease.

Committee is working on the easement where the pole barn is being proposed to be constructed.

Recess for lunch.

Meeting reconvened at 1:30 p.m.

Mental Health report by Kitchen; The sites are being looked at for the new AIE homes in the area.

Juvenile Justice report by Kitchen; Rod Denley from the Youth Service Bureau has resigned & applications are being taken to replace him.

Finance report by Kitchen.

Treasurer Wakeley spoke to the Board at this time in regards to having an audit done of the County books for the year ending 1979. He recommends this being so as to give the public a true picture of the County's financial status. This will cost the County about \$300.00 to have it done at this time.

MOTION by Kitchen, second by Halstead, to have the State Auditors do an audit of the County books for the year ending 1979; & the cost of this to be taken from the Commissioners budget, line item, telephone-\$200.00 & \$100.00 from line item, seminars. Roll Call: All Ayes. Carried.

The budget for the 55 MPH selective enforcement needs to be incorporated into the County budget, & the Radio Grant also.

## Road Commission Minutes

March 14, 1980

A regular meeting of the Crawford County Road Commission was held in their office in Grayling, Chairman Richter presiding. Present were: Chairman Ervin E. Richter, Commissioner Grover Cason, Manager Charles Fox, and Secretary Lorna Bernard. Absent: Commissioner Gloria Kraus and Engineer Ron Herneke.

The minutes of the last regular meeting were read. Commissioner Cason made a motion to accept the minutes with corrections seconded by Chairman Richter. All voted in favor, minutes approved.

Payroll Number 6 in the amount of \$20,760.90 and Materials in the amount of \$43,611.55 were presented and approved by the Board.

Manager Fox reported to the Board the phone conversations with the Department of Transportation regarding the Airport Access Road. The Board is to receive a letter from the State with their determination as to the Road Commission being able to maintain the road.

The Board discussed the need for a Safety Program, and that there should be safety meetings with the employees on a quarterly basis. A program is to be established with the appointment of a Safety Director.

Attorney Dossan appeared before the Board regarding the arbitrators' decision of a grievance. Also discussed was a present grievance that the Board agreed to waive time, upon request by the Teamsters.

The Board recessed for lunch and upon returning to the office discussed the Lawndale Storm Drain Extension to drain Road Commission property. No decision was made. Also discussed: a petition received to abandon alley in the first addition to Portage Lake Park in Grayling Township. Manager Fox is to follow normal procedures for abandonment.

Manager Fox reported to the Board that the new tank for the Martindale Brine Well is to arrive sometime the following week.

Four Mile Road was discussed. Manager Fox was instructed to contact Engineer Herneke on proceeding with the preliminary surveys and necessary paperwork.

There being no further business, a motion was made and supported to adjourn.

All voted in favor, motion carried, meeting adjourned.

Ervin E. Richter, Chairman  
Lorna Bernard, Secretary

## Completes Gen-Tel Course

Mark Jurkovich, switchman for General Telephone at Roscommon, has recently completed a course in Digital Electronics at the company's training center in Muskegon, according to Lois Reagan, division manager.

The course prepares students for more advanced training in the field of digital electronic switching. Students interpret computer programs, define the subsystems of a computer and learn to locate malfunctions in "logic" circuits.

Mr. Jurkovich resides in Grayling with his wife and family.

## District Court

The following appeared before Judge Francis L. Walsh in 83rd District Court last week: Dennis Albert Put, 23, Frederic, demanded preliminary examination on two charges, felonious assault and assault with intent to do great bodily harm less than murder and an additional charge of malicious destruction of property of a value over \$100. The 12 day period was waived and a \$3,000 cash/surety bond set.

Charles James Benedict, 19, Pontiac, demanded preliminary examination on a charge of retaining a credit card without permission of card holder and a second charge of carrying a concealed weapon. The 12-day period was waived and a \$4,000 cash/surety bond set.

Douglas Martin Benedict, 17, demanded preliminary examination on a charge of retaining a credit card without permission of card holder, and a charge of use of a credit card without consent of the card holder and an additional charge of carrying a concealed weapon. The 12-day period was waived and a \$6,000 cash/surety bond set.

Randy Paul Pelka, 19, Roscommon, pleaded guilty to a charge of simple larceny and was fined \$85 or 10 days in jail.

## Volunteers Are Special

Donna Thomson has volunteered her time for the past 7 years to the Grayling Elementary, Frederic Elementary, and Middle School for the U.S. Savings Bond Program. Mrs. Thomson, the "Stamp Lady", helps the children with their stamp purchases. Here she is shown with student, Tony DiPonio, who is buying stamps to fill his book and purchase a \$50.00 bond. She volunteers her time to the program because, "I feel it is a worthwhile program because it teaches the children to save their money." Mrs. Thomson, husband Paul, and their four children reside at Lake Margrethe.

Mr. Thomson also volunteers his time annually to explain insurance policies and other pertinent information to the Contemporary Living class at the high school.

Besides volunteering Mrs. Thomson enjoys spending her leisure time with her family. She likes to ski, swim, and play the piano. There are many "special" people involved in the Volunteer Program in the schools. For further information about the program please contact Cheryl LaDuke at 348-7641 ext. 52.

### Editor's Mailbox

We visited the new Bear Archery, at Gainesville, Fla. We received a royal welcome. Charles Kroll, escorted us through the beautiful, and well designed building. The wide corridors are a level above the main floor. The people at work can be observed without interfering with the help.

They have 35 acres of beautiful wooded land. The Bear Mountain Museum, will be located across from the plant. They employ 350 workers.

We visited with friends, Bob McClain and Warren Hatfield, and many others from Grayling. We talked to many people in Gainesville. They are proud, and very appreciative of having them settle in their town.

We understand there will be a subsidiary plant at Williston, Fla.

They get a good coverage, and publicity from Channel 5 WUFT-TV station at Gainesville, Fla.

Luella Crista, Muriel Sloan, Zoe Custer from Dunnellon, Fla.

## Attend the Church of Your Choice

# Don't tell a soul

Thank God Easter is no secret!

The very word "Gospel" means good news.

We use that word to summarize the belief of millions that Jesus Christ is God's Son and our Savior — that He suffered, died and rose again for us.

The reason so many today share our Faith is that the followers of Jesus have always tried to tell every soul the good news.

That is why we want to tell you and share with you our Easter joy.

### Another Burnout

In the early afternoon of March 26th the James Prosser home on M-72 East caught fire, apparently from a minor gas explosion. A passing motorist saw the flames and notified the Grayling Volunteer Fire Department by CB radio, but despite the prompt response, the interior of the home was completely destroyed and although the exterior walls are still standing the building is considered to be a total loss.

American Red Cross was on the job before the fire was extinguished and assisted the family of six with orders on local merchants of their choice for clothing, food and personal needs.

Fortunately Mrs. Prosser's parents live nearby and are able to temporarily shelter the Prossers until other housing arrangements can be completed.

This is the eleventh burnout this Winter for which Crawford County Chapter/American Red Cross has provided Immediate Disaster Assistance-four times as many as ever experienced in Winter before, and Winter is not yet over.

The Chapter's Disaster Assistance expenditures have been 2 1/2 times the \$2000 budgeted, but the national American Red Cross organization will support the Chapter financially if the Chapter's reserves are exhausted before the fiscal year ends next June 30th.

### Member of Alma A Cappella Choir

Alma—Tom Weede, an Alma College senior from Roscommon, is among the members of Alma's A Cappella Choir this year. In addition to concerts performed on campus, the choir has also sung for several Sunday worship services in area churches and during the college's winter term break March 1-9, sang for church services and presented concerts in eight churches in western and northern Michigan.

A highlight of this year's public performance comes at 8 p.m. March 28 when the A Cappella Choir, the Alma Singers, the Alma Symphony Orchestra, the Kiltie Band, the Jazz Band and the Kiltie Lassies—about 200 performers in all—present "Alma College in Concert" at the Midland Center for the Arts. In one segment of that evening's program, the choir and the orchestra will combine to present cuttings from Carl Orff's "Carmine Burana," a cantata celebrating Spring.

Two days later, on Sunday March 30, the choir and the orchestra will perform the entire cantata in a concert beginning at 7:30 p.m. in Alma's Dunning Memorial Chapel.

Roscommon, a 1976 graduate of Roscommon High School, is the son of Mr. and Mrs. Tom Weede, Rt. 1, Box 3360, Roscommon. He is majoring in English at Alma College.
